

## Valedictory Function of 125<sup>th</sup> batch Regular Training

24 August 2023, Dehradun. Indian institute of soil and water conservation, Dehradun has organized the valedictory function of 125<sup>th</sup> batch regular training certificate course on soil and water conservation and watershed development on 20 August 2023. The programme was featured by certificate distribution to the 29 participants, who came for 4 months training from different corners of India, for successful completion of the training programme.

The programme was graced by the Chief Guest Prof. Durgesh Pant, Director General, Uttarakhand State council for Science and Technology (UCOST), Dehradun. The Course Director and Head, HRD&SS, Dr Charan Singh has outlined the progress of the regular training program since 1955 and presented the achievements.

During the training program, a book **WATERSHED: Water Augmentation Technologies for Ecological Restoration and Societal Holistic Economic Development**, was released by the Chief Guest and Director, IISWC.
