MoU Signed Between ICAR-IISWC and Dronier Avigation Pvt Ltd

18 August 2023, Dehradun. The Indian Institute of Soil and Water Conservation (ICAR-IISWC), Dehradun and M/s Dronier Avigation Private Limited, Buxar, Bihar has signed a MoU on 16 August 2023, towards establishing an inter-organizational collaborative engagement and the Remote Pilot Training Organization (RPTO) as a joint venture at Research Farm, Selakui, Dehradun District.

Dr M Madhu, Director, ICAR-IISWC signed the MoU document on behalf of the Institute. Dr Radhe Shyam Singh from Dronier Avigation PVT LTD signed the MoU from the Organization.

Dr Madhu informed that it was the first of its kind to collaboration with the Public Private Partnership (PPP) towards building a professional capacity program at the Institute and in the Institutes of ICAR as a whole which will help in meeting the much-needed trained work force for application of drones in agriculture and planning and execution of natural resources conservation.

The Dronier Aviation Ltd will invest mainly on the drones and other technical inputs and the ICAR-IISWC will provide space and other related infrastructure facilities for the establishment and operation of the RPTO.
