

Batch 124 of Certificate Course on Soil and Water Conservation and Watershed Management

8 February 2023, Dehradun. Passing out function of 124th batch of 4 month "Certificate Course on Soil & Water Conservation & Watershed Management" was organized at ICAR-Indian Institute of Soil & Water Conservation, Kaulagarh Road, Dehradun (Uttarakhand) on 7 February 2023. A total of 27 Officers represented from 4 states (Punjab 13, Meghalaya 3, Chattisgarh 5, Jammu and Kashmir 4).

Shri Bharat Jyoti, IFS, Director, Indira Gandhi National Forest Academy, Dehradun graced the occasion as Chief Guest and gave away the Merit Certificates to the Officer trainees of the 124th batch.

Dr M Madhu, Director, ICAR-IISWC, Dehradun urged that the trainees while working in the challenging situations must understand the need of the people for whom the work is targeted. Dr D V Singh, Head (HRD&SS) Division presented the overall training report of the 4 month Certificate Course. Experts in different fields were invited from esteemed Institutes to cover the subjects on the basis of feedback of earlier batches.
